Protestant Reformation Assignment:

Major figures of the Protestant Reformation: Front row, left to right: Philipp Melanchthon, Martin Luther, and John Hus, Middle row: John Calvin, Gustavus II Adolphus, and Ulrich Zwingli. Top row: Johannes Bugenhagen and Ulrich von Hutten.

Not Pictured: William Tyndale, Menno Simmons, Thomas Muntzer, John Wesley, John Wycliffe, Henry VIII, Desiderius Erasmus, and John Knox

The people above played major roles in the reformation. This project will allow you and a partner to explore the individual in greater depth. You and your partner will be creating a "wikispace" (https://www.wikispaces.com/user/join?) about your reformation character.

Your "wikispace" must have:	**Grading**
1. Demographic information about your person	15 points
2. Picture of your person	5 points
3. Discussion of the major protest against the Church	20 points
4. A brief history of your persons contributions to the reformation	15 points
